

The Westminster School

Primary Physical Education and Sport Premium Plan 2018-19

Funding for the year **£16,200**

This is a government funded initiative which is to be used to improve the quality and breadth of sporting and physical activities for primary pupils. This includes improving the range and number of activities and participants in developing a healthy lifestyle.

At the Westminster School we first secured this funding for the academic year 2013-2014. The school continues to build on existing provision so that this funding will have a sustained and long lasting impact on the physical well-being and development of all pupils.

Below is the plan of how the school intends of spending the money allocated.
