Dear Parents/Carers

## Postponement of Residential Trips

It is with a very heavy heart that we have had to make the difficult decision to postpone all of our residential trips this academic year. As you may have been aware from recent correspondence the school has been experiencing significant difficulties with COVID19 resulting in a full school closure. Due to potential impact on staffing and students an overnight residential stay is not currently feasible.

We will be in contact with you shortly to arrange a full refund and we continue to be in discussions with both Ingestre Hall and Frank Chapman regarding visits next academic year. Once I have these dates I will be writing to all parents and carers. We will ensure that your child has priority for these visits when they do eventually happen.

If you have any further concerns or questions, please do not hesitate to contact me.

Thank you for your continued help and support.

Yours faithfully

Mr B Taylor  
Deputy Head Teacher
