Dear Parents/Carers

JED – Job Explorer Database

JED - Job Explorer Database is used in our school by our students and staff to access independent and impartial information on hundreds of careers, training and progression routes.

For our visual learners there are lots of videos and pictures as well as an interactive quiz and a colourful World of Work Map which introduces our young people to jobs/careers in the community, as well as suggesting jobs/careers based on their skills and interests.

JED can be used by students of all ages and is a useful way to explore options/choices available to our young people when they leave school.

To use JED please visit <https://jed.ckcareers.org.uk/Jed/LoginAccessCode.aspx> where you can log in using the access code that has been sent to you.

Please note that the access code provided is for use by parents/carers of The Westminster School only and should not be shared with anyone else.

If you have any questions on how to use JED or would like any support please don't hesitate to contact the school. Alternatively, you can visit <https://jed.ckcareers.org.uk/docs/teaching-resources/help-videos> for help videos.

Yours faithfully

S Sandhu
