Welcome to The Westminster School

As Head Teacher of The Westminster School, I would like to extend a very warm welcome to you and thank you for your interest in our school. This is a very exciting time to join our innovative and dynamic school community.

The Westminster School is an Outstanding School in Rowley Regis which currently caters for 251 pupils aged 7 to 19 years with a wide range of special educational needs including Autism Spectrum Disorder, Global Development Delay and Moderate to Severe Learning Difficulties.

The Westminster School takes great pride in being able to deliver an innovative child-centred curriculum. The school's curriculum focuses on 6 holistic areas: My Communication, My Community, My Care and Independence, My Creativity, My Thinking, My Wellbeing. Traditionally the education system requires the child to fit into the curriculum, at The Westminster School the curriculum wraps around the young person meeting them at the point of need. Our work on supported internships and supported apprenticeships for students with learning disabilities is at the forefront of national developments.

We are looking for exceptional candidates to join our growing school.

The post of SEN Teacher (with possible TLR) offers an exceptional opportunity for the right candidate to work as part of our flourishing and creative staff team. You will have the support of our highly skilled teaching and learning staff and a dedicated and committed governing board that considers continuing professional development for all staff an essential factor in achieving the best outcomes for all our young people.

About The Westminster School

Our values are encompassed in our statement of Safe, Happy and Learning Together. Through this, we seek to develop our values statement: Building foundations and providing opportunities to create confident, aspirational and independent members of our community.

Our most recent Ofsted Inspection in November 2017 recognised we were an Outstanding School. The report stated that our “leaders are fundamentally committed to improving the life chances of pupils with SEN and disabilities, both at The Westminster School and across the country.”

All of our young people are supported to reach their full potential with a level of independence, confidence and resilience according to their special needs so that they can face the challenges of adult life. All of our committed, enthusiastic staff are well-qualified and highly skilled. This translates into an amazing working environment for both staff and pupils.

Ours is a happy school. As identified in our 2017 Ofsted Inspection Report, “There is a lot of laughter and enjoyment in lessons and around the school.” We have an exceptionally strong culture of safeguarding, and student welfare is one of our highest priorities.

The school moved to its new state-of-the-art purpose-built site in February 2011. Most ground-floor classrooms have access to outside spaces.

Our on-site facilities include:

- Sports fields
- Multi-Use Games areas
- Theatre with Tiered Seating

- Dedicated Sensory Rooms

Our shop, WestminStore, opened in Blackheath High Street in 2023, and provides valuable work experience and learning opportunities for our students.
